**SANDY BEACH
BROKEN GLASS CLEAN-UP**

**Saturday, May 28
10 am till noon**

Everyone in the community is invited to take a leisurely walk on Sandy Beach and to pick up broken glass as you enjoy your walk and the beautiful scenery. Bring a baggie to carry the glass you find.

Broken glass is an ever present hazard on Juneau's most popular beach, Sandy Beach, but you can do your part in removing some of that glass.
